

# ALPHA

Office   
Home 

The sleek, minimalist styling of the Alpha offers a clean and functional presence with an almost limitless selection of customisable options.

## SWIVELLING CABLE EXIT

The Alpha features a swivelling cable exit that allows for a 90° range of orientation, extending cable life by relieving cable stress, and allowing the cable to exit in the best suited position.

## SWITCHES

The unit is able to house a 15A Thermal Overload Switch as well as other standard red or green switches.

## POWER OUTLETS

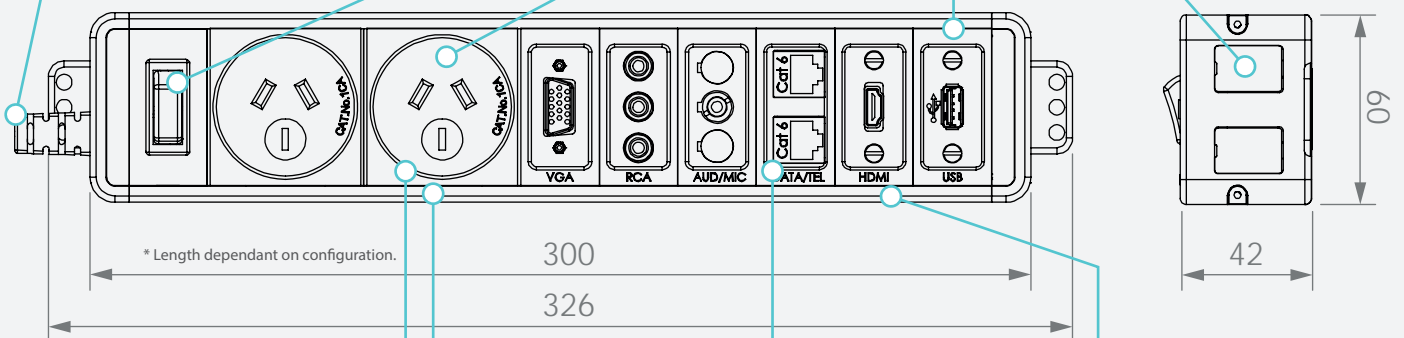

Choose from 24 international power outlets available in black, grey and white. Optional colours and socket angles are also available. Contact your closest distributor for more information or visit: [www.powerlogic.net](http://www.powerlogic.net).

## MINIMALIST DESIGN

Sleek aesthetics add a stylish touch to any professional environment.

## INTERCONNECTION

Alphas are able to connect to each other with bypass cables, allowing two or more to connect.

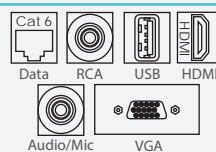

## CONFIGURATIONS

Units can be assembled in almost any configuration with a wide variety of combinations of power outlets, peripherals, colours and finishes.

## AESTHETICS

A wide variety of colours and finishes, for both metal and plastic components, will complement any environment. Contact your distributor for more information.

## PERIPHERAL OPTIONS

\* USB Smart Charger available

## ROBUST CONSTRUCTION

The body of the unit is manufactured from high quality, extruded aluminium, making it very durable.

All measurements are in millimeters unless otherwise indicated
