Gas Strut

Enhance any domestic or office environment with the sleek, metallic finish and striking LED accents of the dual-sided, pop-up Gemini.

LED POWER INDICATORS

An illuminated blue ring indicates that the unit is powered.

PERFECT FIT

The collar of the unit is padded with a high density foam ring to help secure it in place without damaging the work surface.

POWER OUTLET ORIENTATION

Power outlets are pre-fitted at any angle in 45° increments.

SHUTTERED POWER OUTLETS

Power outlets come with a built-in shutter to protect against foreign objects being plugged in.

PERIPHERAL OPTIONS

* USB Smart Charger available

AESTHETICS

The power outlets are available in black, grey or white. Additional colours for power outlets available on special request. Contact your distributor for more information.

POWER OUTLETS

Choose between 24 international power outlets. Visit www.powerlogic.net for options.

15A THERMAL OVERLOAD SWITCH

Protects the unit against power overloads.

LOCKING COLLAR RING

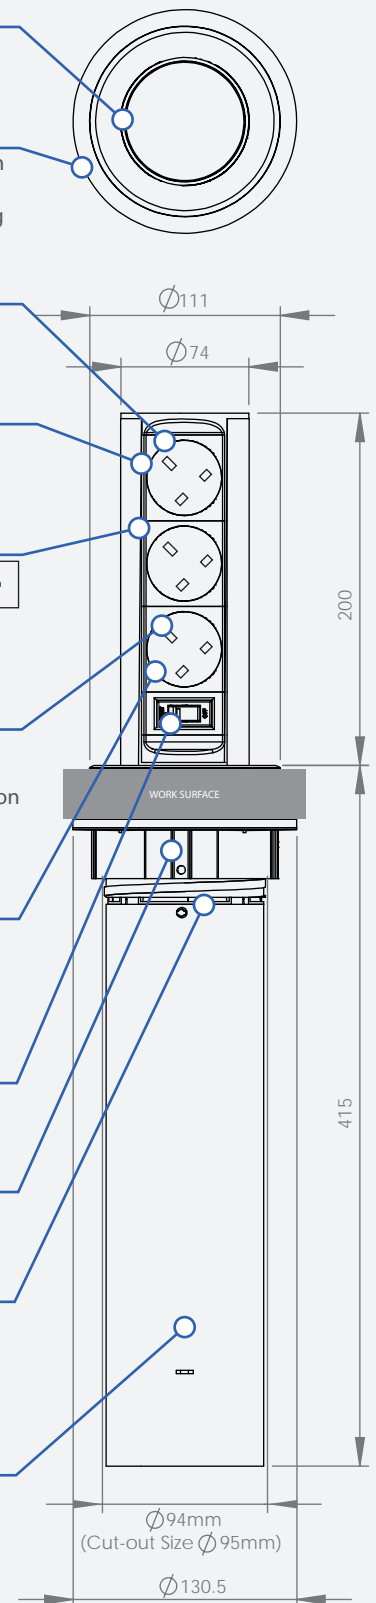

A robust locking collar for quick and easy installation.

LARGE THREAD

The desk collar has been engineered for strength with an easy-to-screw thread that aids in quick and easy installation.

AUTOMATIC EXTENSION

When the LED-lit centre ring of the unit is pressed down, it raises itself from the work surface with a gas strut. This provides access to power outlets and peripherals.
