

92mm Power

Eliminate big, bulky desk surface power outlets and data connectors with the compact, elegant **Punto 92mm Power** module.

USB SMART CHARGER

A dual port USB smart charger that can detect connected Apple®, Android® and Windows® mobile devices whilst providing fast charging. It supports sleep mode charging for most Apple® products and is compatible with USB 2.0 and 3.0 portable devices. A maximum, overall current of 2.1A is available for the dual USB ports.*

POWER OUTLET ORIENTATION

Sockets are pre-fitted at either 45° or 315°.

POWER OUTLETS

Choose from 24 international power outlets available in black, grey and white. Optional colours also available. Contact your closest distributor or visit: www.powerlogic.net

CHROME EFFECT BEZEL

The unit is fitted with a Chrome Bezel for a neat, stylish finish.

AESTHETICS

The Punto units are available in black, grey or white

ULTRA SLIM

Almost flush with the desk surface, this product uses minimal space and does so efficiently.

LOCKING RING

Secures the unit firmly in position, yet allows for easy removal for retrofitting or relocation.

LARGE BOLT THREAD

The desk collar has been engineered for strength with an easy-to-screw thread which aids in quick and easy installation of the unit.

CABLE STRAIN RELIEF

Installed as a standard, this simple strain relief greatly reduces the stresses on cables exiting the unit, resulting in a longer life span.

PERIPHERAL OPTIONS

*Please note that Power Logic in no way endorses these brands. Apple®, Android® and Windows® are Proprietary Trademarks of Apple®, Google® and Microsoft® respectively.

All measurements are in millimeters unless otherwise indicated
